

SPRING Showing BOYS' SUITS

An excellent assortment of boys' Spring Suits have just been received, which all thrifty parents can not afford to overlook. This statement is made with a reason. Because in selecting our line of boys' Suits we sought for serviceable, hard-wearing clothes, which all boys need. In addition to the styles, which are very pretty and in all shades, our prices are lower.

BILIOUSNESS, GAS HEADACHE, MEAN CONSTIPATED BOWELS

Delicious "Syrup of Figs" Cleanses Your Stomach, Liver and 30 Feet of Bowels of Sour Bile, Gases, Decaying Food and Clogged-up Waste, No Gripping.

A harmless cure for sick headache, for biliousness, for sour, gassy, disordered stomach, for constipation, indigestion, coated tongue, sallowness, pimples—take delicious Syrup of Figs. For the cause of all these troubles lies in a torpid liver and sluggish condition of your thirty feet of bowels. A teaspoonful of Syrup of Figs to-night means all poisonous waste matter, the undigested, fermenting food and sour bile, gently moved on and out of your system by morning, without griping, nausea or weakness. It means a cheery day tomorrow—many bright days thereafter. Please don't think of gentle, effective Syrup of Figs as a physic. Don't think you are drugging yourself, for luscious figs, senna and aromatics can not injure anyone. This remarkable fruit preparation is a wonderful stomach, liver and bowel cleanser, regulator and tonic, the safest and most positive ever devised. The day of violent purgatives, such as calomel, pills, salts and castor oil is past. They were all wrong. You got relief, but at what a cost! They acted by flooding the bowels with fluids, but these fluids were digestive juices. Syrup of Figs embody only harmless laxatives, which act in a natural way. It does what right food would do—what eating lots of fruit and what plenty of exercise will do for the liver, stomach and bowels. Be sure you get the old reliable and genuine. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by The California Fig Syrup Company. Hand back, with scorn, any Fig Syrup imitation recommended as "just as good."—Advertisement.

A Newspaper Man Writes an Open Letter to Dr. Hartman

S. B. Hartman, M.D.

I give below an extract from a letter written me by the business manager of one of the leading newspapers of this country. He said in part: "I was very much interested in your article about the use of alcohol in patent medicines. As you know, your ad. has been running in my paper more or less for the last twenty years. I have been frequently criticised for advertising your remedy on the ground that it contained alcohol and was therefore harmful. 'I am not a doctor myself and do not profess to know anything about such subjects. But I wish I had been supplied with the information contained in your article years ago. Your article exactly meets all the objections that I have had to contend with. That alcohol is a useful drug and is the active principle of wine, beer, cider and other beverages is to me a new thought. That it is a useful remedy and assists the other ingredients in making a cure, I cannot doubt after reading your article. 'I think so much of your article that I am going to have a reprint of it made and strike off thousands of them. PERUNA ALMANAC FOR 1913. ASK YOUR DRUGGIST FOR FREE

which I shall mail to objectors as they may arise in the future. 'Your articles convey a great deal of information to the public. I think the newspapers can well afford to publish them gratis, for the articles you have been furnishing me lately constitute some of the best things that occur in my paper. I wish you continued success in your magnificent work.' My dear Sir:—I appreciate your letter. It is not the only one of the kind I have received. I know that Peruna has been greatly misrepresented and misunderstood. I have not had time heretofore to answer these objections. I have been too busy in my many enterprises. My great aim, with its various departments, has so thoroughly engaged my enthusiasm and attention in times past that I could give little heed to critics. But I have taken up the matter now. My farm is in the hands of intelligent overseers and my other business is all organized in such a way that I can give my attention to these matters. I am proposing now to explain to the public all there is to say about Peruna, knowing full well as soon as the public understands it that the malicious things said about Peruna will be quickly forgotten. PERUNA IS FOR SALE AT ALL DRUG STORES. SPECIAL NOTICE—Many persons are making inquiries for the old-time Peruna. To such would say, this formula is now put out under the name of KA-TAR-NO, manufactured by KA-TAR-NO Company, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.

THE THEATERS

When a real play of human interest, a play that appeals to the masses as well as the classes, is scheduled for presentation in this city, it is a pleasure to announce its coming and encourage our theatergoers to patronize it.

In this instance the commendation goes to the engagement of "Bought and Paid For," which comes to the Robinson Grand on March 3. Prob-

ably no play produced on the American stage in the past ten years has created so great a quantity of favorable discussion from people in all walks of life as has George Broadhurst's master play, "Bought and Paid For." This has been emphasized most conclusively by a record of one year at William A. Brady's playhouse in New York. Mr. Broadhurst tells a story in "Bought and Paid For" that is entirely plausible. In fact, it is a true story which happened and is happening every day, and he has unfolded it in so masterly a manner as

The author has placed the locale of the play in the quaint German town of Potsdam, the former home of Frederick the Great and the present summer residence of Kaiser Wilhelm. Manager Ellis is said to have "surrounded Mr. Wilson with the best supporting company that he has had in years and supplied the production with stage settings out of the ordinary.

"The Little Minister" is seen at the Bijou theater this afternoon, and will be there this evening. This is a special Vitaphone, a three-reel production, and is pronounced by press and public to be one of the best pictures from both a moral and an educational standpoint ever put before the public.

to convince his critics of the moral he intended to convey. Besides being a strong drama, it is an ideal comedy with gushes of laughter. This attraction should prove the notable event of the season.

It seems to be an accepted fact among those who are in a position to know that A. H. Wilson, the singing German dialect comedian, is in fine voice and fettle this season, and that it will be hard to resist the delightful

which the court decided favorably in the Vance and Mays cases the petitioners contend the civil authorities have no right to arrest persons outside of the military zone and turn such persons over to the military authorities for trial of offenses committed within the military zone.

Briefs were filed by all the attorneys. An hour's time was allotted to each side for arguments. The attorneys believe the court will render its decision today.

Attorneys for the prisoners contend that Mother Jones and associates, who are charged with inciting to riot, were arrested outside the military law zone and later turned over to the military to be tried by the military commission.

While quiet prevails throughout the strike country, there is some uneasiness, and those in touch with the situation say that much depends upon developments of the next few days.
